ADDITIONAL PRODUCT DETAILS

The deco frame is a perfect fit for the Varistar CP in 800mm width without a front door. It conceals any cabling on the sides of the cabinet, streamlining cable routing and equipment mounting for a more efficient installation process and simultaneously improving the cabinet's appearance.

The deco frame provides easier access to the cabinet's internal components with hinged or removable panels, simplifying maintenance or repairs. It's an essential addition to any electronics cabinet without a front door, particularly for Automated Test Equipment, providing improved functionality, appearance, and durability.
