

VARISTAR ELECTRONIC LOCKING

MECHATRONIC ACCESS CONTROLS FOR ELECTRONICS CABINETS

nVent has broadened its range of access control solutions with a series of electronic locking options. These can be quickly fitted to the cabinets of the SCHROFF Varistar platform.

Depending on the access control requirements, various electronic handles can be combined with one another. The addition of integrated card reader units allows a decentralized (stand-alone) access control solution. Alternatively, all the locks can be networked together to create, with the aid of appropriate software, centralized control and monitoring.

ADVANTAGES AND BENEFITS OF ELECTRONIC LOCKING

- LED display for operating status and alarms
- Can be used with proximity cards (HID and Mifare)
- Stand-alone or networked operation
- Master/slave handle configuration can be set individually
- Vandalism alarm
- Integrates into existing management systems and administration software
- Short delivery time of 10 working days, short setup time
- Sophisticated infrastructure solutions and product combinations
- Modular off-the-shelf components offer attractive prices
- Minimal planning outlay
- Easy to adapt to your requirements thanks to standard product portfolio

STAND-ALONE SOLUTION

- Electronic handle with integrated card reader unit on front and rear door
- The cards are configured and activated directly on the door handle

Description	Part number
Electronic door lock (Mifare 13,56 MHz)	23130-565
Electronic door lock MLR3000 (HID / 125 KHz)	23130-513
Power supply unit for the door lock*	23130-515
Card set to program handle HID	60130-678
Cards (set of 10) HID	23130-526
Card set to program handle Mifare	60130-832
Cards (set of 10) Mifare	23130-566

NETWORKED SOLUTION

- Access management is controlled centrally via the network
- The cards are configured via the management software

Description	Part number
Electronic door lock MLR3000 (HID / 125 KHz)	23130-513
Electronic door lock MLR1000 (slave)	23130-512
Power supply unit for the door lock*	23130-515
Gateway for electronic door lock**	23130-523
Desktop reader HID	60130-730
Cards (set of 10)	23130-526
Administrator software for electronic locking	60130-680

* Please select country-specific power cables with PSU.

** Please select patch cable to connect handles.
